## DESCRIPTION OF DUTIES

The purpose of this position is to supervise workers on a day-to-day or project-by-project basis, either directly or through one or more subordinate leaders, in accomplishing the work operations of the organizational segment or work shift and to perform associated nonsupervisory work.

### DUTIES:

- (1) Planning: Plans and schedules specific work assignments on a daily or project-by-project basis within specified time requirements. Arranges for adequate personnel, materials and equipment to accomplish the work.
- (2) Work Direction: Assigns tasks to be performed. Explains prescribed methods and procedures; instructs subordinates on new procedures and provides assistance on problems. Reviews work in progress and on completion. Obtains approval from supervisor for changes in standard or prescribed procedures and changes in work operations. Suggests ways or methods to improve operations or reduce costs.
- (3) Administration: Recommends individuals to fill vacancies or for promotion or reassignment. Assists in the establishment of performance standards and makes recommendations for performance appraisals. Counsels with employees on disciplinary issues and recommends disciplinary action. Attempts to resolve informal complaints and grievances, referring unresolved or more serious issues to supervisor. Conducts on-the-job training and recommends employees for formal training programs. Schedules leave and approves leave for short periods of time. Encourages employees to participate in suggestion or cost reduction programs. Ensures that regulations governing safety and housekeeping are observed. Explains and implements such personnel programs as equal opportunity, position management, position description review, and labor relations. Maintains production reports and records.
- (4) Performs the nonsupervisory functions of the organizational segment supervised.
- (5) Implements safety regulatory requirements. Ensures that subordinates wear appropriate safety equipment and follow pertinent safety precautions.
- (6) Prepares for and participates in various types of readiness evaluations, inspections, mobilization and command support exercises. May be required to perform additional duties such as structural firefighting, aircraft fire/crash/rescue duty, security guard, snow removal, munitions loading and handling, heavy equipment operator, maintenance of facilities and equipment, or serve as a member of a team to cope with natural disasters or civil emergencies.
- (7) Performs other duties as assigned.
